ISSN 2229-7618

General Guidelines

- Articles must be sent to spspedagogics@gmail.com
- The abstract should be limited to a maximum of **150-200 words**.
- Articles must not contain more than **4,000 words** for research articles and **6,000 words** for review articles.
- The paper must be typed, double spaced using **Times New Roman** in MS Word
- **Font size:** Title 20, Subtitles 16 and Matter 12.
- Title and Subtitles should be written in **capital letters**. No underlines.
- Graphs and charts should be **prepared in MS Office** (Word/Excel).
- The **order** in which manuscripts should be produced is as follows: title page, abstract, keywords, text, references, tables, figures (images should be labelled).
- Authors are expected to follow the **APA reference style** when writing their manuscripts.
- Pages should be numbered **chronologically**, starting with the title page, text, references, tables, and figure.
- The **title page** containing the title, author, affiliation, associated author, and contacts should be typed separately.
- Authors are requested to provide **complete contact details for correspondence**: postal address, phone number, email address.
- Authors should indicate the **nature of the article** (whether it is a research article or a review article) at the top of the manuscript.
- Papers **should not be submitted simultaneously for publication** in other journals, magazines, or newspapers.
