SCHOOL OF PEDAGOGICAL SCIENCES
MAHATMA GANDHI UNIVERSITY

Mahatma Gandhi University

Mahatma Gandhi University, one of the major Universities in Kerala, is a premier educational institution that strives to fulfill the higher educational needs of the people from Central Kerala. Re accredited by NAAC with A Grade (3.24 CGPA) and Winners of the Chancellors award for the best University for 3 times. The University was established on 2nd October 1983. The Institution offers a large number of programmes at the Undergraduate, Postgraduate, M Phil and Doctoral levels through its 23 University Departments, 2 International and Inter University Centres, 7 Inter University Centres, 10 Inter School Centres, 77 Govt./Aided Affiliated Colleges, 10 Autonomous Colleges (of which 8 are Colleges with Potential for Excellence), 200 Unaided Affiliated Colleges and 199 Recognized Research Centres. It imparts education in the interdisciplinary as well as conventional disciplines of Science, Social Science and Humanities besides in the professional disciplines like Engineering, Technology, Legal Studies, Pedagogy, Pharmacy and Nursing.

School of Pedagogical Sciences

The School of Pedagogical Sciences was started in 1992 housed in a state-of-the-art building in the main campus of Mahatma Gandhi University at Athirampuzha, Kottayam, Kerala. The school is geared to meet the challenges facing education by attaining, establishing and maintaining high quality education and excellence in today's educational scenario, giving due importance to the four major dimensions of education, viz. theory, practice, research and extension.

The School is expected to meet the needs and demands of the global society. The mission of the School has been to impart quality education to all sections of society on an equitable basis and disseminate knowledge with emphasis on research and extension activities. The Programmes offered by the School are Master of Education (M.Ed.), Doctor of Philosophy (Ph.D.) in Education, and Post-Doctoral Fellowship (PDF). School also provides Value Added Courses on Teaching and Research Aptitude, Vedic Mathematics, Child Rights Education and Standardization of Research Tools. School also provides MOOCs through SWAYAM on Instructional Design and ICT Skills in Education.

Indian Council of Social Science Research (ICSSR)

Indian Council of Social Science Research (ICSSR) was established in the year of 1969 by the Government of India to promote research in social sciences in the country. ICSSR provide grants for projects, fellowships, international collaboration, capacity building, survey, publications etc. to promote research in social sciences in India. Documentation center of ICSSR - National Social Science Documentation Centre (NASSDOC) - provides library and information support services to researchers in social sciences. ICSSR has developed ICSSR Data Service to serve as a national data service for promoting powerful research environment through sharing and reuse of data among social science community in India.

About the Seminar

Today, when we are at the helm of 75 years of Independence, it seems the right time to evaluate and measure the growth and re-imagine where we need to be and what the path that can take us there is. Youth is the most important and dynamic segment of the population in any country.

The youth of the country can use their education to battle all challenges that plague the country - they can fight every social ill that keeps a nation down and prevents it from progressing at the speed it should. Teachers are the future builders of our country; they are the providers of knowledge and wisdom. They are the basic source of education for most of the people of the country and they are the ones who build the future of the nation. The seminar will throw light on the role of teachers in shaping the youth to become asset to the nation. NEP 2020 exhorts, 'Teachers truly shape the future of our children – and, therefore, the future of our nation' thereby implying that teachers play the most important role in nation-building by creating high quality of human resource in their classrooms. Recognising the 'power of teacher' NEP 2020 has put in place systemic reforms that would help 'teaching' emerge as an attractive profession of choice for bright and talented young minds. The seminar will enlighten the teachers to take the lead in making India a Super Brain and a World Leader through equipping the youth.

We cordially invite your presence and active interaction in the Seminar
