**SCHOOL OF
PEDAGOGICAL SCIENCES**

The School of Pedagogical Sciences (SPS) was established in 1992 housed in a state of the art building in the main campus of Mahatma Gandhi University at Athirampuzha, Kottayam, Kerala. The school is geared to meet the challenges facing education by attaining, establishing and maintaining high quality education and excellence in today's educational scenario, giving due importance to the four major dimensions of education, viz. theory, practice, research and extension. The School is expected to meet the needs and demands of the global society. The mission of the School has been to impart quality education to all sections of society on an equitable basis and disseminate knowledge with emphasis on research and extension activities.

Groom competent Teacher Educators and Researchers capable of imparting world class Teacher Education and elevate the discipline of education to global standards

- To elevate the institution as the ultimate destination for Teacher Education in all matters related to Teaching, Research and Extension.
- To create a cadre of professionally trained Teacher Educators who are in high demand in the globalised scenario.
